Eliminating High-Interest Debt

Paying off high-interest debt reduces financial stress and improves cash flow. Use this checklist to create a plan to eliminate debt effectively.

9 steps · Print-ready A4

NAME	START	TARGET DATE

1 List All Debts

Write down each debt, its interest rate, and the outstanding balance.

EXAMPLE *“Credit card A: $3,000 at 18% APR.”*

2 Prioritize High-Interest Accounts

Focus on paying off debts with the highest interest rates first.

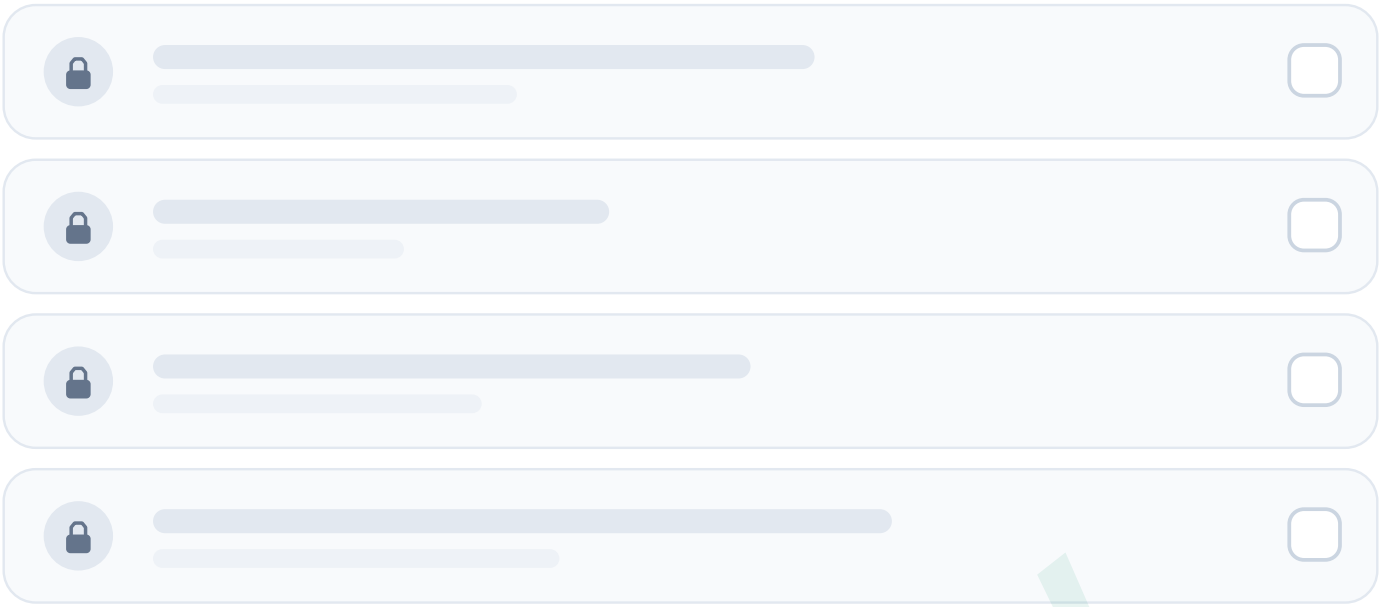

TIP *Use the avalanche method for faster debt repayment.*

3 Create a Debt Repayment Budget

Allocate a specific amount each month for extra payments.

EXAMPLE *“Set aside $400 per month to pay down credit card debt.”*
