1 Evaluate Your Finances

Check your credit score, review savings, and calculate how much you can afford.

TIP *Aim for a credit score of 620 or higher for better mortgage rates.*

2 Determine Your Budget

Use a mortgage calculator to estimate monthly payments.

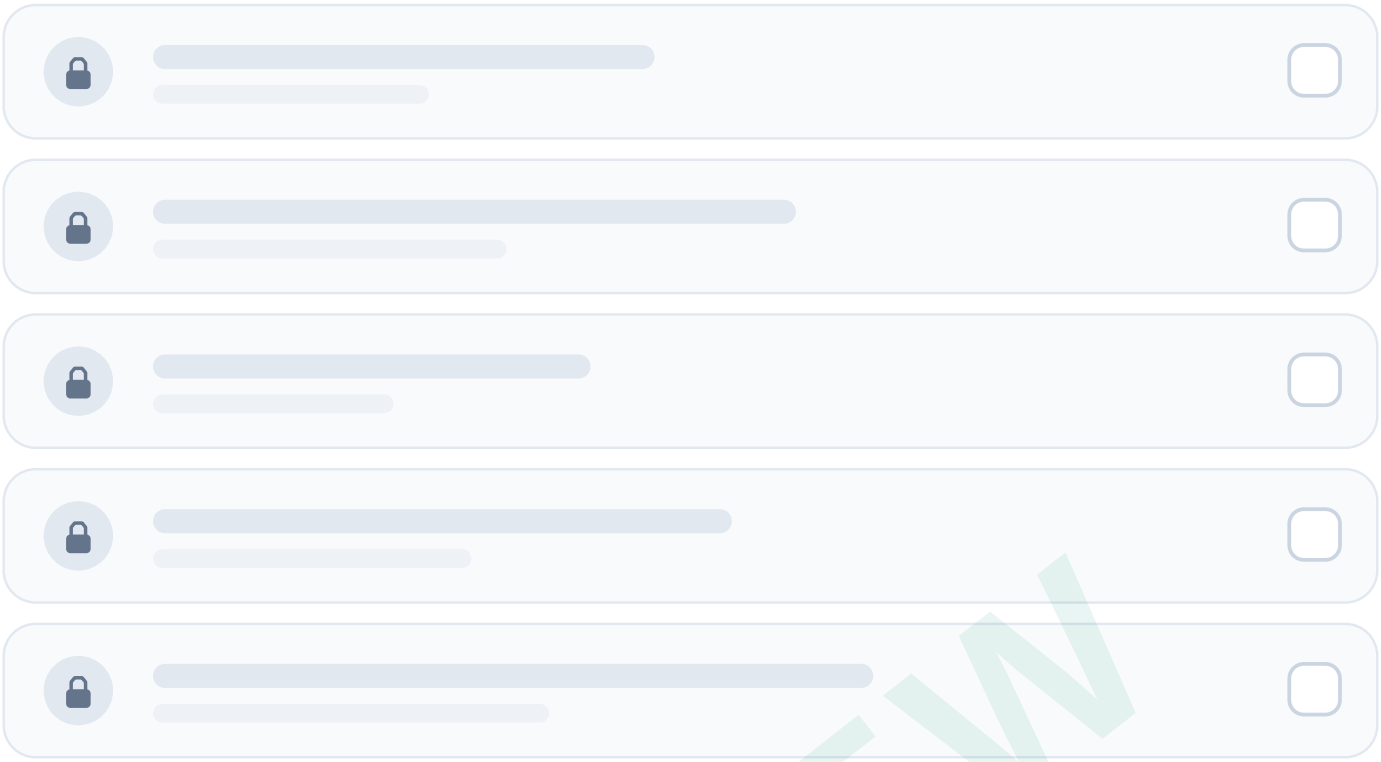

EXAMPLE *Include property taxes, insurance, and HOA fees in your estimate.*

3 Save for a Down Payment

Plan to save at least 3-20% of the home price for a down payment.

TIP *Research down payment assistance programs for first-time buyers.*
