CHECKLIST · FINANCIAL MANAGEMENT

FREE PREVIEW

Teaching Kids About Money

Teaching children financial literacy equips them with skills for lifelong money management. Use this checklist to introduce key concepts effectively.

10 steps · Print-ready A4

NAME	START	TARGET DATE

1 Discuss the Value of Money

Explain how money is earned and used to buy goods and services.

EXAMPLE *Share a real-life example, such as how you work to earn money to pay for food and rent.*

2 Set Up a Savings Jar

Encourage kids to save for specific goals.

EXAMPLE *Label jars with "New Bike Fund," "Snacks," or "Charity" to give their savings a purpose.*

3 Give a Small Allowance

Offer regular pocket money to teach budgeting.

TIP *Start with a small amount, like $5 per week, and gradually increase as they take on more responsibilities.*
